“Our Room Service Trolleys come with tri-folding flaps which can be folded both down and up.”

Our trolleys are equipped with tilting tops for storage in echelon. They mechanically lock down when in use, ensuring that the tops cannot tilt unintentionally, with a discreet release away from prying hands.

Each trolley has a standard height of 76cm. Standard top finishes are: cherry high pressure laminate or nylon flock coated with a black protective edge.

Accessories such as food warmer boxes and caddies complete the package.

All tops available in either nylon flock coated or Cherry HPL
Please specify top finish with order
